Jan Seva Prabhu Seva

Dear Family & Friends,

I pray that you and your loved ones are safe and healthy during this unprecedented time.

For so many of us the last few months have been devastating- to see our people suffering and dying of corona virus infections. Our motherland India is mired in grief. Many lives are lost simply for lack of oxygen and the sheer number of people suffering with corona virus has crippled the country's health care system. Hospital beds, doctors and nurses, ventilators, oxygen and medicines have all in short supply. It could be weeks, even months before the situation improves in India. We don't know when foreign medical aid will arrive to Khambhat and we cannot wait!

Our own Shri M M Parikh Cardiac Care Center has become a center for covid patients and not only for the people of Khambhat, but for the many surrounding villages that depend on our center for medical services and at present corona virus treatment. Our center has faced a huge challenge of treating an overwhelming flow of covid patients in the last few months and that too with limited access to crucial medical supplies and equipment. Our hard working and dedicated team of doctors, nurses, administrative staff, trustees and all other support staff are working hand in hand and have been able to save many lives!

We salute our CCC's entire team and the many other healthcare workers all over the world who have put their lives on the line to fight COVID and keep us safe.

It takes a lot of hard work and dedication to bring in the funds for our institution. As always, great efforts were put forth by Dr. Bhupendrabhai Kapadia, Dr. Thakorbhai Rana, Dr. Bipinbhai Shah, Mohanbhai Patel, Jatinbhai Shah, Vinodbhai Vapiwala and Gurangbhai Pandya. They are wholeheartedly committed to KCI/CCC.

Jan Seva Prabhu Seva

We are very grateful for the outpouring of concern and generosity from many of our Khambhati family, friends and advocates as the coronavirus spreads through our motherland.

Our people are in dire need of our help right now. I humbly request your support of Khambhati Charity International/CCC as that will continue to help us provide essential medical care to our covid patients. Your donations at this critical time will make the world of a difference.

With Gratitude,
Jayshri Rami

On behalf of Khambhati Charity International/Cardiac Care Center
