Dear Friends and Colleagues,

Greetings from M. M. Parikh Cardiac Care Centre & Cambay Medical Relief Society-Khambhat.

We feel proud to announce our 1st International Cardiology Conference of 2014 on 26th 27th -28th December 2014. This shall be a major event encompassing varied aspects in the field of cardiology.

We have organized the conference in a manner dedicating echocardiography workshop with hands on training on 26th December Friday with Dr. Jeremy Thaden from Mayo clinic, Rochester, Minnesota, USA.

On 27th December, Saturday a focus on complete interventional cardiology workshop with FFR/IVUS/OCT bifurcation and complex lesions. Dr. Samin Sharma, world leading Cardiologist from Mount Sinai hospital, NY. and Dr. Pranay Vaidya leading Interventional Cardiologist from New Jersey, Hackensack University Hospital, NJ. shall dedicate their expertise. A CME program is planned on 28th December, Sunday with National and International faculties.

It is to the benefit of General Practitioners, PG students, Specialist Doctors and International Cardiology Colleagues.

With M. M. Parikh Cardiac Care Centre and Khambhat Charity International, it has been our endeavor to provide quality medical care, latest medical know-how to patients and share our experiences with minimal cost. Dreams come true to share experiences from and across the globe.

It is our open invitation to join at KHAMBHAT and make this occasion a grand success.

Dr. Kamaldeep Chawla; Head of Interventional and Chief of Cardiology at Sterling hospital, Baroda and M. M. Parikh Cardiac Care Center, Khambhat.

Dr. Bhupendra Kapadia; Peripheral and General Vascular Surgeon: Christ hospital, Jersey City, NJ, USA; President of Hudson Healthcare, Jersey city.

Dr. Thakor Rana; Clinical professor of medicine at New York medical college. President and Medical Director of Bronx Heart and Past President of First District Branch of New York State Medical Society.
